

# Greenroof Ltd Environmental Policy

The Environmental Policy is presented under the requirements of the Environmental Protection Act.

- The Directors have overall responsibility for the environmental policy within the company.
- All employees have a responsibility to adhere to the company's environmental policy and related guidance.
- The company is committed to complying with UK and EC legislation and with Government initiatives relating to the environment.
- The management of the environmental policy is an integral part of the company's system for planning, allocating and controlling resources.
- Employees will continue to receive suitable training on environmental issues, such as recycling.
- The company will continue to monitor discharges and emissions to the air, water or land and take any necessary actions to prevent pollution.
- The company will continue to monitor and reduce consumption of raw materials and, where feasible, increase the use of reclaimed and recycled materials.
- The company will continue to monitor and reduce the amount of waste arising from work activities and segregate waste materials for recycling (i.e. cardboard, metals, paper, plastics, slates, tiles, timber, etc.) where appropriate.
- The company will ensure that waste materials are disposed of in compliance with the Department for Environment, Food and Rural Affairs' Duty of Care legislation and guidance.
- Waste Transfer Notes will be sought and retained by the company.
- The Company will aim to work with sustainable suppliers and clients.
- The company recognises the legitimate interest employees and external sources have in its management of the environmental policy.
- The company will make the environmental policy available to employees and respond constructively to external requests for information.
- This policy will be reviewed and revised annually to take account of changes in legal requirements and company commitments.
- The company will seek advice from a specialist consultant as, and when, required.
- The senior management team will set and review the objects and targets annually and review at monthly meetings.
